Section 670.20 Statewide Deer Permit Requirements

- a) All archery deer hunters must have a current, valid Illinois archery deer permit. Archery deer permits (except landowner/tenant property-only permits and nonresident permits issued to clients of outfitters as detailed in Section 670.20(c)) will authorize the holder to hunt in any of the open counties of the State, on property where permission to hunt has been obtained from the property owner. Nonresident archery deer permits issued to outfitter clients who received a permit based on the preference given to outfitter clients are valid only on property controlled by the outfitter used to gain preference.
- b) Resident Permits
 - 1) Resident archery deer permits are available over-the-counter (OTC) from agents designated by the Department (pursuant to 17 Ill. Adm. Code 2520) as combination permits, each consisting of one either-sex permit and one antlerless-only permit, or as a single antlerless-only permit. The fee for a resident archery combination permit shall be \$25; a resident archery single antlerless-only permit shall be \$15. While there is no limit to the number of archery deer permits that an individual resident may purchase, no one may harvest more deer than allowed by the restrictions prescribed in Section 670.40. Lifetime licenses issued after August 15, 2006 shall not qualify a nonresident of Illinois for a resident deer permit.
 - 2) In addition to the permits listed in subsection (b)(1), resident hunters have the option of purchasing a maximum of one resident single either-sex

permit for a fee of \$15. Applicants must submit an application to the Permit Office using the official current Resident Single Either-Sex Archery Deer Permit application form by September 1. Applications are available from the DNR website at <http://www.dnr.illinois.gov>. Applications submitted on forms from previous years will be returned. Applicants must complete all portions of the permit application form. Incomplete applications and fees will be returned. Each applicant must submit a personal check or money order with his/her individual application.

- c) A limited number of nonresident archery deer permits is available as combination permits, each consisting of one either-sex permit and one antlerless-only permit. The fee for the nonresident combination archery deer permit shall be \$410. Nonresident hunters may apply during the period June 1 through June 30 via telephone using DNR's telephone vendor system (1-888-673-7648). Applicants may apply for and receive a maximum of one nonresident combination archery deer permit during a license year. (Note: Receiving nonresident landowner archery deer permits does not preclude the recipient from also applying for and receiving the regular nonresident combination archery deer permit.) The number of nonresident combination archery deer permits shall be limited to 25,000, with clients of outfitters currently permitted by the Department of Natural Resources given preference in the drawing for the first 7,500. Clients of permitted outfitters should contact the outfitter prior to applying to receive a certification number to be used in the application process to verify their outfitter client status. Permits will be allocated using a computerized, random lottery drawing conducted after June 30. If the number of eligible outfitter clients in the drawing is less than 7,500, all remaining permits will be allocated to the remaining applicants until the quota is reached. If the number of eligible outfitter clients in the drawing exceeds 7,500, those outfitter clients unsuccessful in obtaining one of the first 7,500 permits will compete against non-client applicants for the remaining permits. Up to six individuals may apply for nonresident combination archery permits as a group. Groups must identify a group leader, and all applicants must provide the same group leader information at the time of application. If applying for permits given preferentially to clients of outfitters, all group applicants must also provide the same outfitter certification number. Permits available after the lottery will be sold on a first-come, first-served basis to applicants who have not previously received a permit for the current deer season. ~~Nonresidents may not purchase a combination archery deer permit after September 30 if they have previously~~
